

MAINE DART ASSOCIATION

For the last five years area Dart Leagues have held benefit dart tournaments for some worthy causes, raising over \$20,000.00. This year one of our own families is in need of our help.

Kent and Mary Cyr's four-year-old son, Henry, has a Congenital Heart Defect (CHD). He is due to have his first of 2 to 3 open heart surgeries soon.

Even with insurance the medical cost to treat Henry will be exceedingly high, the Cyr family is financially pressured to cover these high cost for treatment and the loss of income during Henry's surgery and recovery.

To help Henry's cause we need area Dart Players to solicit sponsorship donations from the friends, family and the non-darting community

Last year the area Dart Players to sponsorship donations made it possible to raise \$3000.00. This year, with your help, we can help the Cyr family.

Kent and Henry
